www.PeninsulaGolfClub.com

Nestled on the beautiful Fort Morgan peninsula between Mobile Bay and the Gulf of Mexico, rests one of Alabama's most spectacular golf resorts - Peninsula Golf and Racquet Club.

Rated 4 ½ stars by Golf Digest and selected as one of the “most memorable and enjoyable” courses in the southeast, Peninsula provides a golfing experience that is rivaled by few. Designed by the renowned southern favorite, Earl Stone, the 27-hole golf course boasts 7,026 yards from the championship tees and delivers a playable and enjoyable layout for golfers of all skill levels.

Rich in nature and wildlife, the Peninsula Golf and Racquet Club is located directly next to the Bon Secour Wildlife Preserve and winds through over 800 acres of beautiful live oaks, cypress trees and much more natural vegetation. In addition to the beautiful scenery, you may also stumble across some of the local wildlife, like alligators or eagles which are commonly seen throughout the course.

Be sure to see our signature hole Lakes #7 while visiting Peninsula. This par five boasts a large landing area off the tee and a backdrop of beautiful Mobile Bay. Make sure to play your second shot down the right side of the fairway to avoid the wetlands left. Big hitters may elect to go for this long and narrow green in two, but beware of the hazard left and out of bounds right.

ROCK CREEK

ROCK CREEK

www.RockCreekGolf.com

Rock Creek Golf Course was designed by veteran golf course architect and Southeastern favorite Earl Stone. This 18-hole Baldwin County golf course stretches over 6,900 yards, making it perfect for long hitters yet fun and encouraging for golfers playing from the forward tees.

Rock Creek is best known as a fun, player-friendly course for locals, members and visitors to the area. Golfers of all skills love the course layout featuring well-manicured tree-lined fairways and generous landing areas. The large undulating greens offer a variety of shapes as well as two-tiered putting surfaces.

This championship golf course is definitely forgiving and visually spectacular. Numerous doglegs are prominently featured throughout the layout along with natural rolling terrain and impressive elevation changes unique to southern Alabama region. Tall pines and hardwood forests line each fairway and freshwater wetlands ripple throughout the course adding to the impressive visual effects of the course.

Rock Creek's signature hole - No. 2 is definitely unforgettable. This 434-yard par 4 drops 70 ft. from the tee to the fairway with a second shot offering a force carry over wetlands to a green featuring a 30ft high, bulkhead wall. Many find this golf hole visually stimulating yet a true test of golf where strategy and accuracy define the difference between a bogey and birdie.

A short drive from Mobile, AL, Rock Creek Golf Club offers a truly unique golfing venue in the southern region of Alabama. You'll discover one of the best conditioned 18-hole championship golf courses in Baldwin County, Alabama. But don't take our word for it, Golf Digest has consistently rated it 4.5 stars since its inception. This prestigious accolade is only designated to approximately 500 golf courses nationwide. Even Zagat Survey stated, "One of the best (golf courses) in southern Alabama."
